

Representative Casey Weinstein

37th House District

In Casey's family, public service is a way of life. His grandfather, father, brother, brother-in-law, and wife Amanda all served or are serving in the armed forces. He has always strived to actively engage in his community. In Dayton, he was recognized as a 'Top 40 Under 40' Community Leader and has been more recently recognized as one of '30 for the Future' by the Greater Akron Chamber of Commerce. In 2015 he was elected to serve on Hudson City Council, where he worked every day to make a positive impact for his constituents.

With over a decade of experience as a leader and top performer in the information technology industry, Casey's business acumen and perspective will help Ohio attract good-paying 21st century jobs to our communities.

Casey recognizes that the only way to make real change is through collaboration. He has a bipartisan record of achievement on Hudson City Council, where he focused on economic development, broadband expansion and partnering with private groups to enhance city parks.

From interning with Republican Congresswoman Heather Wilson in high school to serving on U.S. Senator Sherrod Brown's Service Academy Nomination board, Casey knows the value of building bridges between parties, and of listening to the perspectives of all of the voters he represents to get the mission done.

A veteran of the U.S. Air Force, Casey served at Wright-Patterson AFB alongside his wife Amanda. They later moved to Northeast Ohio to start their family and spend their lives contributing to a bright future for all Ohioans.
