From the desk of Rep. Miranda

Dear Neighbor,

Happy New Year! I hope you and your family had a wonderful, healthy holiday season with family, friends, and new cherished memories.

As we begin 2023, I could not be more excited to serve our community in the Ohio House of Representatives. This year is filled with opportunity to work together and deliver results for the People of Ohio.

On January 3, I was proud to be sworn in as state representative for Ohio House District 28. As your voice in the state legislature, I promise to work hard for you and your family every single day. I am excited to share more updates on legislation, committee work, and more in the weeks to come.

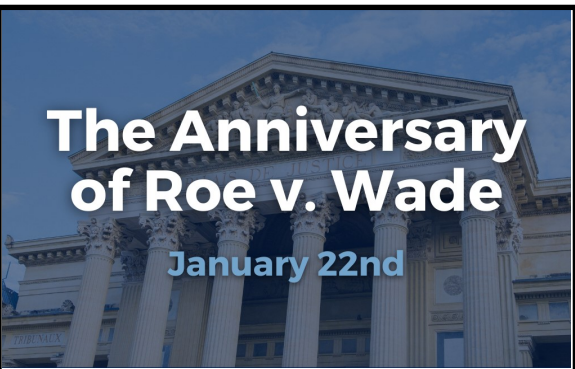

With a new Speaker of the Ohio House and new colleagues on both sides of the aisle, I am more optimistic than ever about the future of our state. Ohioans have faced great challenges in the last few years and 2023 will be no different. But, I am confident that we can work side by side to create better lives and brighter futures for everyone in this state.

I am proud to be your state representative. I want to hear from you! My office is happy and ready to help you with any state related issue or just to listen to your thoughts about state government. Always remember, I work for you. I hope you'll reach out. Please do not hesitate to contact my office with any questions, comments or concerns.

Sincerely,

**Jessica E. Miranda**  
Democratic Whip  
28th District  
614-466-8120

The Anniversary  
of Roe v. Wade  
January 22nd

January 22nd was the Anniversary of the landmark Roe v. Wade decision. Though this decision was overturned in 2022, it serves as a reminder that we must protect abortion and reproductive rights. The right to make healthcare decisions about your own body is non-negotiable.
