District Spotlights

Dear Neighbor,

The 135th General Assembly's Capital Budget process is finally underway. The Capital Budget occurs every two years, and primarily funds the capital assets and infrastructure needs of state agencies and public institutions as well as supporting several grant and loan programs for local infrastructure projects throughout the State.

Eligible uses of funds will support the acquisition, construction, reconstruction, rehabilitation, remodeling, renovation, enlargement, improvement, equipping, and furnishing of capital facilities for projects demonstrating a state benefit for higher education, mental health, parks and recreation, conservation, and cultural and sports facilities .

If you have questions about the Capital Budget, or would like to submit a project application please reach out to my office at Rep53@ohiohouse.gov or at 614-466-5141. The deadline for project applications is Monday, December 18th.

Sincerely,

State Representative Joe Miller
