OHIO HOUSE OF REPRESENTATIVES

STATE OPERATING BUDGET UPDATE

Throughout the budget process, I provided updates from leadership about the operating budget as we worked on it in the House.

I voted in favor of House Bill 33, the State Operating Budget for fiscal years 2024-25, which passed with a sweeping vote of 78-19.

One of my priorities will always be economic and workforce development. I am proud to have worked on and voted in favor of a budget that keeps Ohio open for business and continues to make our state the best place to work and live.
