# YEAR IN REVIEW

Throughout my first year in office, my number one priority has been making sure your voice is heard in Columbus. I encourage all of my constituents to contact me with any questions or concerns you may have. Together, let's make Ohio an even better place to live, work, and raise a family. It has been my honor to serve as your State Representative this past year and I highly value the input of those that elected me. I would love to hear all of your thoughts on how I'm doing as your Representative and any suggestions you may have as we go into the next year.
