Dear Family,

As the summer season comes to a close, it's time to start preparing for the upcoming voting and capital budget season. We all must take the time to register to vote and have our voices heard.

Voting is one of our most important rights as citizens, and it's up to us to exercise that right by registering to vote for the upcoming election. Registration for the November election opens on September 19th, and the final day to register for the general election is October 10th.

To register or check your status, visit voteohio.gov and follow the easy steps provided. If you have any questions, comments, or concerns regarding the registration process or anything else related to voting, don't hesitate to contact us via email at Rep02@ohiohouse.gov or phone at (614) 466-8010. We are always ready and willing to assist you in any way we can.

Remember, your vote matters and can make a difference in the future of our community, state, and country. So take a few minutes out of your day to register and make your voice heard. Thank you for your time and consideration.

Best regards,

Representative Latyna M. Humphrey
State Representative
Ohio House District 02

International Day of
DEMOCRACY
Sept. 15

The International Day of Democracy provides an opportunity to review the state of democracy in the world and how it can be made into a reality to be enjoyed by everyone, no matter who you are. House Democrats will always stand for the freedom, dignity, and opportunity that democracy provides.

**EMANCIPATION
DAY**

September 22, 2023

#EmancipationDay commemorates the signing of the Emancipation Proclamation to end slavery in the U.S. Fun fact: the state of Ohio has the longest-running celebration for #EmancipationDay! House Democrats celebrate this pivotal moment, while also acknowledging that we are still fighting for true freedom for all.

House Democrats Celebrate Working Parents Day

On September 16th, we celebrate working parents and acknowledge the hard work and sacrifices working parents make every day to support their family. Working parents are feeling the squeeze of high costs for everyday expenses including healthcare, groceries, and rent.

House Democrats have successfully passed several provisions in the budget to secure strong working families:

- Expanded publicly funded child care initial eligibility
- Established infant capacity building and early childhood learning
- Expanded the existing “sales tax holiday” for Ohio families
- Increased “homestead exemption” property tax break for senior citizens and disabled veterans

I know that family always comes first, and Ohioans should have the opportunity to raise happy, healthy families. Democrats are working to ensure families have the resources they need to raise safe, healthy children without breaking the bank.

House Democrats Remember September 11

September 11, 2001 is a day that we will never forget. The horrifying attacks on our country killed 2,977 people from 93 nations, including 441 brave emergency responders.

These attacks have had a lasting impact on America and the world. I continue to extend my sincere gratitude to the brave men and women who have since served overseas to protect our country. I will always prioritize bills that help support first responders, active military members, veterans, and their families to honor those who serve our nation.

Please stay tuned for the next event.
