JANUARY

IN DISTRICT 42

A New Year. A Renewed Commitment.

Dear Neighbor,

As we begin a new year, I want to thank the residents of House District 42 for your continued trust, resilience, and commitment to our community.

January is a time to reflect and recommit. My focus remains clear: keeping Ohio affordable, standing up for working families and seniors, and ensuring that every voice in our district is heard and respected.

It is an honor to serve you, and I look forward to the work ahead.

Elgin Rogers, Jr.

Honoring

DR. MARTIN LUTHER KING JR.

A Legacy of Service, Justice, and Hope.

Dr. Martin Luther King Jr. taught us that "everybody can be great, because everybody can serve."

His vision of a more just and equitable society continues to challenge us to do more, be more, and care more for one another.

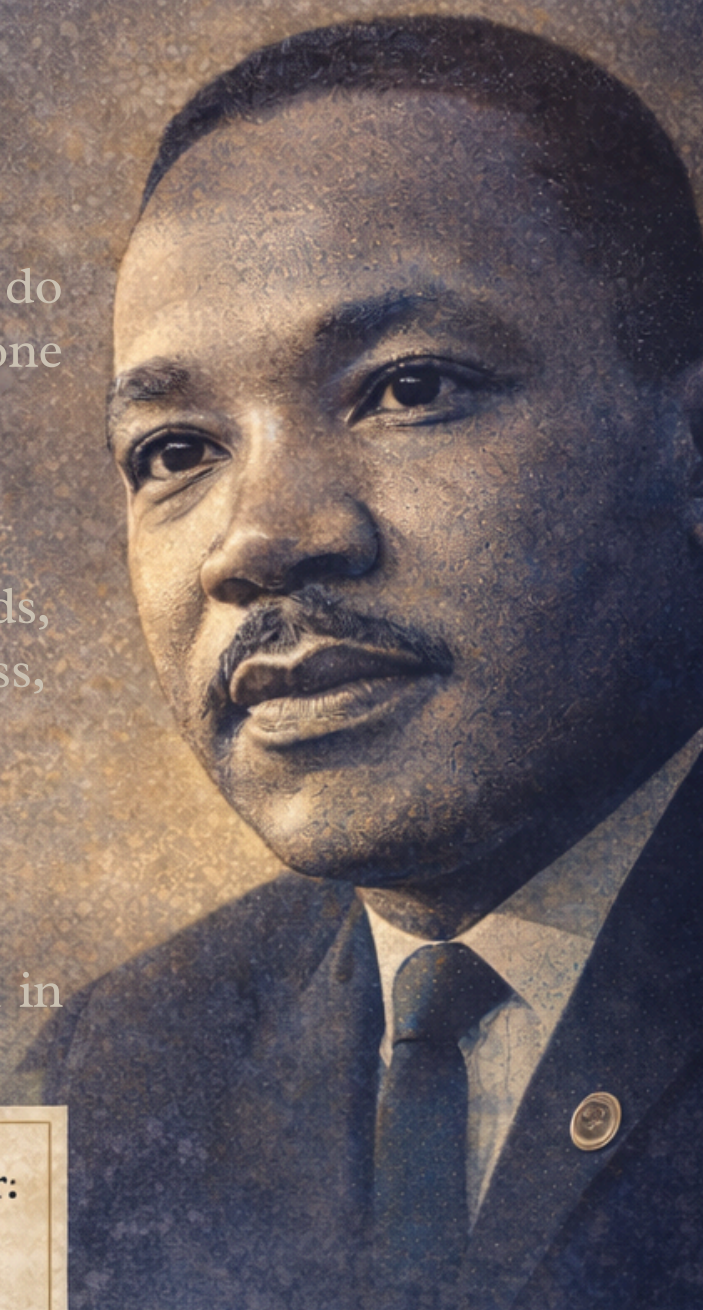

As we commemorate Martin Luther King Jr. Day, we honor not only his words, but his example: standing up for fairness, lifting up marginalized voices, and believing in the power of community to drive lasting change.

May we continue that important work in our communities together.

MLK Day of Service Reminder:
