September 20, 2019

Dear President Jones and UAW Sisters and Brothers,

For days we have stood in solidarity as UAW members fight for fair wages, better healthcare, and a fair contract. Making the decision to strike is no small feat. It shows incredible bravery and respect for your fellow workers who enter each respective plant daily.

As General Motors attempts to bust up the picket line by taking away the health insurance for 50,000 families, we as members of the Ohio Democratic Women's Caucus are writing you all today to reaffirm our support for your strike. Unions are the backbone of labor in this country and we proudly stand behind the UAW and their efforts to ensure the fair treatment of employees across the country.

As negotiations continue, we are hopeful for a fair compromise from General Motors and a successful strike.

We stand with you.

In solidarity,

Rep. Tavia Galonski

Minority Leader Emilia Strong Sykes
